## **ANEST IWATA AIR ENGINEERING, Inc. Standard Warranty**

ANEST IWATA AIR ENGINEERING warrants Compressor System manufactured by and bearing ANEST IWATA name to be free from defects in material and workmanship on the date of start-up by an authorized ANEST IWATA AIR ENGINEERING distributor to the original purchaser for use. With the exception of any special, extended, or limited warranty published by ANEST IWATA AIR ENGINEERING, ANEST IWATA AIR ENGINEERING will, for a period of twelve (12) months from the date of start-up, or five thousands (5,000) hours of use, whichever occurs first, repair or replace any part of the equipment determined by ANEST IWATA Air Engineering to be defective. This warranty applies only when the equipment is installed, operated and maintained in accordance with ANEST IWATA's written recommendations. The start-up sheet should be submitted within a week of start-up by either fax or e-mail to ANEST IWATA Air Engineering. Without the submission, the warranty might be denied.

This warranty does not cover, and ANEST IWATA AIR ENGINEERING shall not be liable for general wear and tear, or any malfunction, damage or wear caused by faulty installation, misapplication, abrasion, corrosion, inadequate or improper maintenance, negligence, accident, tampering, or substitution of non-ANEST IWATA component parts. Nor shall ANEST IWATA AIR ENGINEERING be liable for malfunction, damage, or wear caused by the incompatibility of ANEST IWATA equipment of structures, accessories, equipment or materials not supplied by ANEST IWATA AIR ENGINEERING, or the improper design, manufacture, installation, operation or maintenance of structures, accessories, equipment or materials not supplied by ANEST IWATA AIR ENGINEERING.

This warranty is conditioned upon the prepaid return of the equipment claimed to be defective for examination by ANEST IWATA AIR ENGINEERING to verify the claimed defect. If the claimed defect is verified, ANEST IWATA AIR ENGINEERING will repair or replace free of charge any defective parts. The equipment will be returned to the original purchaser transportation prepaid. If inspection of the equipment does not disclose any defect in material or workmanship, repairs will be made at a reasonable charge, which charges may include the costs of parts, labor, and transportation.

This warranty is exclusive, and is in lieu of any other warranties, express or implied, including but not limited to warranty of merchantability or warranty of fitness for a particular purpose.

ANEST IWATA AIR ENGINEERING's sole obligation and buyer's sole remedy for any breach of warranty shall be as set forth above. The buyer agrees that no other remedy (including, but not limited to incidental or consequential damages for lost profits, lost sales, injury to person or property, or any other incidental or consequential loss) shall be available. Any action for breach of warranty must be brought within two (2) years of the date of start-up.

**ANEST IWATA AIR ENGINEERING, INC. makes no warranty, and disclaims all implied warranties of merchantability and fitness for a particular purpose in connection with accessories, equipment, materials or components sold but not manufactured by ANEST IWATA.** These items sold, but not manufactured by ANEST IWATA (such as electric motors, switches, hose, etc.), are subject to the warranty, if any, of their manufacturer. ANEST IWATA AIR ENGINEERING will provide purchaser with reasonable assistance in making any claim for breach of these warranties.

In no event will ANEST IWATA AIR ENGINEERING be liable for indirect, incidental, special or consequential damages resulting from ANEST IWATA AIR ENGINEERING supplying equipment hereunder, or the furnishing, performance, or use of any products or other goods sold hereto, whether due to a breach of contract, breach of warranty, the negligence of ANEST IWATA AIR ENGINEERING, or otherwise.
