APPLICATION: “Point of Use” Food Packaging

PRODUCTS: SLT-15D-120-T460

DETAILS: The customer purchased two new packaging lines and determined the cost to expand the capacity of their existing Oil Free plant air system to be more than 6 times the cost of the AIAE Point of Use system. The SLT-15D-120 provides High Quality Oil Free air in a quiet compact design to two new packaging lines. The Point of Use installation allowed the customer to locate the new lines in a optimum location in the plant to maximize their process efficiency.
