

## Paint Booth Add

**Contacts:** Each Regional Sales Managers or  
Toll Free: 800-440-0282, Fax: 513-543-1079

**INDUSTRY:** Manufacturing

**APPLICATION:** Painting

**PRODUCTS:** SLTE-20D-120-T460

**DETAILS:** The customer added a Paint Booth and Painting Operation into a strategic location in the plant, plant manufacturing process line. The quality of the finish paint is critical and requires high quality air. The customer did not believe the existing oil flooded plant air could be cleaned up effectively and did not want to add the Paint Operation demand to the existing system. The SLTE-20D-120 is a compact High Quality Air Oil Free tank mounted solution installed at the customer's Point of Use. Minimal piping was required. The dedicated system also provides redundancy in the duplex design and at only 69 dBa contributes minimally to the OA plant noise level.

Model SLTE-20D-120-T460  
List Price \$32,980

**SPECIFICATIONS:** \_\_\_\_\_  
HORSEPOWER: 20 HP  
OPERATING PRESSURE: 75-115 PSI  
AIR DELIVERY: 59.4 CFM  
CONTROL SYSTEM: MULTI UNIT CONTROL  
- AUTO STOP/START  
NOISE LEVEL: 69 dBa  
AIR OUTLET: BALL VALVE 1" NPT  
POWER: 208-230-460V/3 PHASE/60Hz  
DIMENSIONS: 70" x 43" x 52"  
WEIGHT: 1,160 LBS.
